SUBJECT: Revenue Sharing Trust Fund Report of Distribution of Funds to Non-Compact Tribes for the Quarter Ended December 31, 2003

ISSUE: *Can the Gambling Control Commission (Commission) make a current quarterly distribution from the Indian Gaming Revenue Sharing Trust Fund (IGRSTF) to each eligible Non-Compact Tribe for the quarter ended December 31, 2003?*

The Commission, as administrator for the IGRSTF, is required to make distributions from the IGRSTF in accordance with the Tribal-State Gaming Compacts (Compacts) sections 4.3.2.1 (a) and (b).

The IGRSTF serves as the depository for payments made by Tribes that acquire and maintain gaming device licenses and interest income earned by the IGRSTF. The process for allocating licenses and the awarding thereof by the administrator is outlined in Section 4.3.2.2. This Section also specifies the amounts that shall be paid for license fees.

To date, the Commission has approved the distribution of approximately \$94.58 million in license fees, payments, and interest income from the IGRSTF covering thirteen fiscal quarters from July 1, 2000 through September 30, 2003. The current distribution being proposed will make a distribution of the actual amount of license fees received and any interest income that may have been deposited in the IGRSTF for the quarter ended December 31, 2003, leaving an undistributed balance of license fees, payments received, and interest income in the IGRSTF as of that date of less than \$1.00.

On December 19, 2003, the Commission conducted a license draw pursuant to Compact section 4.3.2.2, and awarded 750 Gaming Device licenses to qualifying tribes. A non-refundable one-time pre-payment fee of \$1,250 per license was collected for each of the 750 licenses, which resulted in \$937,500 deposited into the IGRSTF. These monies are included in the distribution amount for the quarter ending December 31, 2003.

Total license fees, payments received, and interest earned and deposited into the IGRSTF for the quarter ended December 31, 2003 amounted to approximately \$6.26 million. This consisted of \$937,500 of prepayment license fees, and \$5.32 million of quarterly license fees and payments received.

As shown in Exhibit 1, all eligible tribes will be receiving \$89,458.07 for this distribution. A portion of the interest earned is allocated to previously approved distributions held in abeyance in the IGRSTF on behalf of two (2) tribes. The principal and interest held are pending distribution. The remaining receipts are equally distributed to seventy tribes listed in Exhibit 1 as eligible Non-Compact recipient tribes (pending receipt of outstanding eligibility certification forms, if any). Thus, the equal share distribution amount per tribe for this quarter is as noted above.

At the end of the calendar quarter for distribution and as of the close of business on December 31, 2003, the amount of outstanding license fee payments due into the IGRSTF was approximately \$4.00 million. If the total license fee payments due at the end of this quarter had been paid into the IGRSTF, recipient tribes would have received \$57,149.88 in additional moneys along with this quarter's distribution. The Commission makes quarterly distributions on a cash basis based on the amount of available funds in the IGRSTF each quarter. Total license fee payments outstanding and due for the quarter ended December 31, 2003 are summarized in Table 1 below:

Table 1		
Indian Gaming Revenue Sharing Trust Fund License Fee Payment Aging Schedule as of December 31, 2003		
Quarter(s) in Arrears	Number of Tribes	Amount of License Fees Due
Less than 1	2	\$633,666.44
1	9	3,366,825.00
Totals	11	\$4,000,491.44

Compact Section 4.3.2.3 provides that a tribe shall not conduct any gaming activity authorized by the Compact if the tribe is more than two quarterly contributions in arrears in its license fee payments into the IGRSTF. The Commission, as administrator, sends out regular quarterly invoices for the payment of license fees near the beginning of each quarter. Additionally, the Commission follows standard collection practices, which includes noticing those of past due amounts, and has initiating procedures if action is needed under the provisions of Compact Section 4.3.2.3 noted above.

The distribution amounts for each tribe that are presented in the attached report are subject to audit and subsequent verification of eligibility by the Commission. In accordance with the Commission's methodology for determining a Non-Compact Tribe, it is also being recommended that this distribution be on a conditional basis pending receipt of certification of the maximum number of gaming devices operated during the quarter by each tribe that is required to submit a completed certification form. Tribes that are required to complete the certification form are those tribes that entered into Compacts with the State of California and have operated less than three hundred-fifty gaming devices during the entire quarter for this distribution.

Pursuant to Item 0855-101-0366 of the Budget Act of 2003, \$46 million was appropriated for distribution to Non-Compact tribes. Per Provision 3 of Item 0855-101-0366, the following items are requested according to control language as part of any request to augment Item 0855-101-0366. Although no augmentation is being requested with this distribution, we are submitting the following report information voluntarily.

1. The Methodology for Determining a Non-Compact Tribe

Per Section 4.3.2(a)(i) of the Compact, the term "Compact Tribe" and "Non-Compact Tribe" is defined as:

A "Compact Tribe" is a tribe having a compact with the State that authorizes the Gaming Activities authorized by this Compact. Federally-recognized tribes that are operating fewer than 350 Gaming Devices are "Non-Compact Tribes." Non-Compact Tribes shall be deemed third party beneficiaries of this and other compacts identical in all material respects. A Compact Tribe that becomes a Non-Compact Tribe may not thereafter return to the status of a Compact Tribe for a period of two years becoming a Non-Compact Tribe (sic).

For this distribution from the IGRSTF, the Commission used the following procedures as the methodology for determining if a tribe is a Non-Compact Tribe:

- A. Identify all tribes in the State of California that are Federally-recognized based on information obtained from the U. S. Department of Interior, Bureau of Indian Affairs, and a legal opinion received from the State Attorney General's Office.
- B. Request that each Non-Compact Tribe that entered into Compacts with the State that is to receive a distribution certify the maximum number of gaming devices operated during the quarter by completing and filing a Tribal-State Compact Gaming Device Certification Form (CGCC-C2003.02). Receive this form from each eligible tribe in accordance with the streamlined verification procedure implemented by the Commission. This form was mailed to Tribes for completion and filing and is also available on the Commission's website at www.cgcc.ca.gov.
- C. Classify all tribes identified in step A based on the information obtained in step B as either: 1) Compact Tribes operating 350 or more gaming devices, 2) Non-Compact Tribes as defined by the Compact, or 3) non-compacted gaming tribes.
- D. Classify all Non-Compact Tribes identified in part 2) of step C as eligible Non-Compact non-gaming tribes and Non-Compact gaming tribes that have submitted the requested certification form to the Commission if required.
- E. Prepare a list of Non-Compact Tribes based on the most recent information reported to the Commission.

2. A list of the Non-Compact Tribes Identified Based on the Commission's Methodology

A list of all Non-Compact Tribes as identified by the methodology identified in item 1 above is attached as Exhibit 1.

3. A Trust Fund Condition Report Including the Amount of Revenue Received From Each Compact Tribe

A trust fund condition statement for the IGRSTF through December 31, 2003, for fiscal year 2003-04 is attached as Exhibit 2. A listing of the amount of revenue from each Compact Tribe as received by the Commission is attached as Exhibit 3.

4. The Amount of Funds to be Distributed to Each Non-Compact Tribe

The amount of funds to be distributed to each Non-Compact Tribe is listed in Exhibit 1 that is attached. The recommended distribution to each tribe listed in Exhibit 1 is subject to verification of eligibility and receipt of a Tribal-State Compact Gaming Device Certification Form (CGCC-C2003.02) if required.

RECOMMENDATION: *It is recommended that:*

1) the Commission approve the current full quarterly distribution of approximately \$6.26 million of all payments made by tribes and any interest income received by the IGRSTF during the most recent quarter ended December 31, 2003, to the listed tribes that are determined to be eligible Non-Compact Tribes in accordance with the Commission's identified methodology for determining a Non-Compact Tribe as shown in Exhibit 1 attached to this report, and

2) approval of distributions shall be made on a conditional basis subject to receipt of any required eligibility certification of the maximum number of gaming devices operated during the quarter by each tribe that is required to submit a completed certification form.

Future distributions may be adjusted for any overpayments or underpayments that may have been made. If a tribe is subsequently determined to be a "Compact Tribe" by definition of the Compact, and is therefore not eligible for future distributions, any overpayments that may be made are subject to refund by a tribe(s) to the Commission. The above distributions are being recommended for distribution on a conditional basis and are subject to verification of eligibility. Distributions will only be made after receipt of a Tribal-State Compact Gaming Device Certification Form (CGCC-C2003.02) that indicates eligibility in accordance with the terms of the Compact.
